

January 2022

VOXMICRO TSCA Certificate of Compliance

VOXMICRO LTD Group (“VOXMICRO”) is fully committed to the wide-adoption of RF modules and their related technologies and configurations, that respect and comply with regulatory guidance in the largest possible number of territories and applications. VOXMICRO targets pro-actively the pertinent social and moral responsibilities of environmental protection, and has been taking great efforts to set up environmental management systems in order to be in compliance with the Regulation of Persistent, Bio accumulative, and Toxic chemicals Under TSCA Section 6(h).

EPA works with his partners to protect human health and the environment. The major federal law governing chemical substances is the toxic substances Control Act (TSCA). TSCA is required if a company import chemical substances, mixtures or articles and generally must meet the same requirements under TSCA as a chemical manufacturer in the United States.

EPA published on 6th of January 2021 restrictions on the following chemicals:

- PIP (3:1) (fenol, isopropylfosfaat (3:1), CAS 68937-41-7)
- DecaBDE (decabromodifenylether, CAS 1163-19-5)
- 2,4,6 TTBP (2,4,6-tris(tert-butyl)fenol, CAS 732-26-3)
- HCBd (hexachloorbutadiene, CAS 87-68-3)
- PCTP (pentachloorthiofenol, CAS 133-49-3)

VOXMICRO manufactures a variety of Radio-Frequency related products, from modular designs, through to wireless accessory assemblies, including ODM/OEM RF systems. A large number of components are purchased from other manufacturers. The information provided regarding the material content is reliant to information received from VOXMICRO suppliers or materials for our products and therefore it is true and correct to the best of our knowledge.

VOXMICRO states that all products are compliant and none of the five restricted PBT substances are intentionally added to its products. This TSCA compliance declaration applies to all products sold by VOXMICRO according to the definitions and restrictions given for the Persistent, Bio accumulative, and Toxic chemicals Under TSCA Section 6(h) by the EPA.

In order to fulfill our commitment to our customers, we continually monitor all applicable national and international laws and regulations. Therefore such the abovementioned compliance characteristics may change from time to time, following the needs and definitions of the China RoHS as proposed by the Chinese Legislation.

Signed for and on behalf of VOXMICRO LTD.
